

PTC Corporate Coverage Group

Delivering Employee Benefits & Enterprise Risk Solutions

Want to spend more time and resources growing your business
and less time and money managing corporate insurance programs?
Join the PTC Corporate Coverage Group!

Overview

The PTC Corporate Coverage Group provides a wide-range of employee benefits and corporate insurance products and services to help members better protect their businesses, employees and bottom-line. By integrating valuable consulting services and web-based resources with essential healthcare and corporate insurance products, the PTC Corporate Coverage Group helps members do more with less so they can focus more of their valuable resources on growing their organizations.

Designed Just for You

From start-up to established ... technology to professional services ... Pittsburgh to Beijing ... The PTC Corporate Coverage Group's employee benefits and enterprise risk solutions are scalable to safeguard your business operations and employees wherever you do business – locally, national and globally.

Employee Benefits

The volume purchasing power of the PTC Corporate Coverage Group helps members secure the best plans and rates for their employee healthcare insurance programs. Our advisory services, consulting and web-based resources help members to more efficiently and effectively manage their entire employee benefits programs, while staying ahead of changing healthcare and labor compliance regulations.

Products

Enterprise Risk

We know you need more than healthcare insurance to protect your company and employees. Errors & Omissions ... Directors & Officers ... Property & Casualty ... Cyber Liability ... Workers' Compensation, these are just some of the corporate insurance products that technology, life sciences, professional services and other organizations need to safeguard their operations and bottom-line, which ultimately safeguards the financial health of your employees.

In addition to securing the right risk management products to meet your specific needs, the PTC Corporate Coverage Group will also offer alternative risk products, loss control and claims management services. These new products and services will provide more options than ever before to PTC members and will be coming online throughout 2011.

PTC Insurance Program's New Name

PTC continues to provide high value medical, dental, vision, life and disability insurance, but since we're adding new insurance products and services we've changed our name from PTC Employee Benefits Group to the PTC Corporate Coverage Group.

The PTC Corporate Coverage Group will provide more so members can optimize their business performance with improved employee benefits and enterprise risk management operations.

About PTC

Since 1983, the Pittsburgh Technology Council (PTC or Council) has worked to be more than your ordinary trade association. We have a vested interest in our members' success because when our members succeed, we succeed. We work hard to foster the development of the technology industry within the 13-county region of southwestern Pennsylvania. By engaging companies in the tech sector, as well as companies who utilize technology, the PTC builds value for all members.
