

Transportation Services

Get what you need

We know the trucking business is tough. HDH insures over 600 trucking clients across Pennsylvania and surrounding states. We help them by developing and implementing safety and loss control programs, because controlling costs and reducing claims is how our trucking clients get what they need to succeed.

We also know that a major claim can be the difference between a profitable year and an unprofitable year if you don't have the right insurance. HDH works with all the leading transportation insurance companies to ensure that our clients get the right coverage at the best price. In addition, to save you time and money, we have the marketing clout and experience to negotiate on our clients' behalf as a one-stop-shop for all of their coverage needs, including:

- ◆ Automobile Liability / General Liability
- ◆ Automobile Physical Damage
- ◆ Motor Truck Cargo
- ◆ Warehouseman's Legal Liability
- ◆ Umbrella
- ◆ Worker's Compensation
- ◆ Non-Trucking (Bobtail/Deadhead)
- ◆ Bonds
- ◆ Property
- ◆ Pollution Coverage
- ◆ Trailer Interchange
- ◆ Garage Liability
- ◆ Employee Benefits
- ◆ Occupational Accident

Play it Safe

When it comes to your employees' safety and the company's profitability, you want to be smart and play it safe. Our safety

“
*We need a broker that
we trust to get us the
coverage we need,
when we need it, at
the best terms possible
– that's what we get
with HDH.*

”

– change the word provided to provider with more than 1100 clients in 50 different captives under management. The benefits of a captive include

- ◆ Lower premiums
- ◆ Better control over claims & premiums
- ◆ Tax advantages
- ◆ Improved cash flow

A captive is not for everyone. HDH has the experience to evaluate the pros and cons and help you determine if this alternative risk strategy is the right choice. If it is, we have the expertise to take you through the process.

About HDH Group

The HDH Group is an employee-owned professional services firm offering proactive risk management, alternative risk and human capital management solutions for clients in the transportation industry.

Whether you are a one unit owner-operator or are managing a large fleet, we can service your needs. Our staff has over 300 years of experience in the transportation insurance industry. Call us and find out how we can help you succeed.

A Road Less Traveled

More and more of our clients are turning to alternative risk programs, like captives and rent-a-captives, to meet their insurance and financial needs. These non-traditional plans can provide safe and profitable trucking companies with a more attractive risk financing mechanism. Since our first captive in 1987, HDH has grown into a full-service provider
